

## Refrigerated Glass Door Merchandisers

BERG Glass Door Merchandiser Refrigerators are a great way to display cold drinks, packaged food and any other grab n' go items that are sold in your establishment. These units are perfect for convenience stores, delis, markets and so much more. With their anti-fogging glass and illuminated interior, the products inside will always be highly visible to your shoppers. These units come standard with plastic-coated steel shelves that are easily adjustable, and a front-mounted LED temperature display. These models are ETL Listed and ETL Sanitation. They are backed with a 1 year warranty on parts and labor and a 5 year warranty on the compressor.

### Product Features

- Coated steel exterior
- Painted aluminum interior with stainless steel floor
- Environmentally-friendly R290 refrigerant
- Foamed-in-place polyurethane high density cell insulation throughout the entire cabinet
- Illuminated bright interior lights for greater visibility
- Front-mounted LED temperature display
- Removable door gasket for easy cleaning
