GLASS FROSTERS

MODEL: BSGF-1L BSGF-2L

BSGF-1L

BSGF-2L

Berg's Glass Frosters are perfect to frost beer glasses and chill salad plates used to serve your guests. These units efficiently chill glasses with a delicate layer of frost, keeping your craft beers cool and fresh tasting. They are also great for chilling salad plates, keeping lettuce leaves crisp longer. Featuring sliding stainless-steel doors for easy access, these units do not need to be running continuously and can be turned off after hours to save electricity. These models are ETL Listed and ETL Sanitation. They are backed with a 2 year warranty on parts and labor and a 5 year warranty on the compressor.

FEATURES AND CONSTRUCTION

- Durable stainless steel top
- Coated aluminum interior
- Attractive corrosion-resistant exterior vinyl on steel with black finish
- Sliding stainless steel door for easy access
- Adjustable coated steel dividers included
- Maintains a safe temperature range of -7° to 0° Fahrenheit
